GARDEN LABELS

We have found that the PERFECT GARDEN LABELS are best after many years trial. They are economical because they are permanent, easily marked, erased, and marked again. The kind we use comes with wires at \$3.00 per hundred, from us; or from the manufacturer, Howard Hammitt, 15 Lewis St., Hartford, Conn.

FERTILIZERS

For irises - bonemeal and superphosphate. For other plants, rotted manure, and any balanced plant food such as Agrico, Loma, Vigoro, etc. We do not sell fertilizer.

TIP TOP GARDENS, 6505 MAIN ST., WILLIAMSVILLE 21, N.Y.
